(i) For improving functioning of TPDS machinery, continuous reviews of lists of BPL and AAY families, door step delivery of foodgrains to fair price shops, timely availability of foodgrains at fair price shops and training of staff as well as vigilance committee members are being emphasized.

(ii) For greater transparency in functioning of TPDS, display of lists of BPL and AAY families at fair price shops, display of allocated quantities on web sites, adoption and implementation of revised Citizens Charter, monthly certification of delivery of foodgrains to fair price shops and their distribution to ration card holders, and taking up publicity-cum-awareness campaign have been initiated.

(iii) Improved vigilance at various levels and strict penal action against those involved in malpractices, including action against staff responsible for issuing ineligible ration cards and persons found in possession of such ration cards are being emphasized.

(iv) Introduction of new technologies such as Computerization of TPDS operation at various levels, smart-card-based delivery of essential commodities, use of global positioning system on vehicles transporting TPDS commodities and bar coding of ration cards etc. is being piloted.

As can be seen, required legal and institutional framework has been put in place. However, efficient operation of TPDS depends on capacity of the machinery managing it. Therefore, it may be stated that the deficiencies noticed in implementation of TPDS seem to be more because of shortcomings in the machinery.

Procurement of foodgrains

†41. SHRI LALIT KISHORE CHATURVEDI: Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) the estimate of rice and wheat production in the year 2007-08;

(b) the quantity of wheat and rice procured, so far, this year at minimum support price along with the details thereof; State-wise and grain-wise;

(c) whether the foodgrains purchased at this support price would be adequate to fulfil the demand for the year 2008-09; and

(d) whether there is any proposal to import wheat and rice this year and if so, the names of the countries from where the same has to be imported and at what price?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) As per the 4th Advance Estimate of Department of Agriculture and Cooperation, the estimated production of rice and wheat in the crop year 2007-08 is 96.43 million tonnes and 78.40 million tonnes respectively.
